

DESIGN THINKING

# REFLECTIVE JOURNAL

HAVE I IDENTIFIED  
ALL OF THE  
ASPECTS OF THE  
ISSUE?

HAVE I  
ACCURATELY AND  
FULLY DEFINED THE  
ISSUE TO BE  
SOLVED?

DO I NEED TO ASK  
MORE OR DIFFERENT  
QUESTIONS TO  
COME UP WITH A  
BETTER  
UNDERSTANDING OF  
THE ISSUE?

DO I NEED TO  
COME UP WITH  
MORE IDEAS TO  
SOLVE THE  
ISSUE?

DOES THE  
SOLUTION I HAVE  
CHOSEN SOLVE ALL  
ASPECTS OF THE  
ISSUE?

HAVE I LISTENED TO  
AND ACTED UPON  
FEEDBACK FROM  
OBSERVERS, USERS  
AND  
STAKEHOLDERS?

DO I NEED TO  
REVISIT MY  
PROTOTYPE/STORY  
BOARD AND MAKE  
CHANGES OR  
AMENDMENTS?

CAN MY SOLUTION  
SOLVE ANY OTHER  
REAL-WORLD  
ISSUES?
