

# Observations

As you hear the presentation of your peers, note your observations in the spaces provided on this sheet.

Your observations will provide valuable feedback and will help your peers to revisit their solution.

A large, empty rectangular box with a thin black border, intended for taking notes on interesting aspects of a solution.

What do you think is interesting about the solution?

A large, empty rectangular box with a thin black border, intended for taking notes on whether a solution could address other real-world issues.

Could the solution help to solve any other real-world issues?

A large, empty rectangular box with a thin black border, intended for identifying limitations of a solution.

Can you identify any limitations to the solution?

A large, empty rectangular box with a thin black border, intended for noting down questions about a solution.

Note down a question that you would like to ask about the solution.

A large, empty rectangular box with a thin black border, intended for suggesting improvements to a solution.

What could you add to improve the solution?
